Escada Bookcase

FG005427

A bookcase that brings together three natural elements; wood, straw and gold, to form a striking shelf that emits light from within its straw marquetry interior. It is framed entirely by a delicately inlaid straw trim of gently vibrant tonality. The linear patterns continue with a chiselled texture in gold-plated cast-brass shelf-supports.

Inches	W 55 1/8 in	D 14 3/8 in	H 44 1/4 in
