Ondas Dining Chair

FG007783 Natural Parchment

Flowing, powerful form is embodied through the lines of the Ondas dining chair. Smooth fins cut the air and lift the back giving structural elegance and strength. Even the seat cushion sits cradled in a warm embracing curve. This sculptural silhouette is completely wrapped in natural parchment, while the upholstery is a silk mix handwoven fabric. The effect of the luxurious surfaces is to make a rich tactility and tone to the chair; a perfect debut dining chair for the Alexander Lamont seating collection designed by Alberto Velez.
