

Charpentier Coffee Table

F12-437

A bestseller since its creation in the 90s and a perfect embodiment of the Liaigre universe, the Charpentier coffee table has become an icon of the Liaigre Collection. With its style described as simple and rigorous, it has enriched the aesthetic vocabulary that has made the signature of the house both identifiable and highly desirable.

It is now reissued in Charbon on brushed oak, a finish that gives this creation an authentic and warm character. The clarity of its lines and its harmonious silhouette easily integrate into all interior styles, from the most contemporary to the most classic. This creation is an expression of modernity in its most timeless form...
