HEIGHT:	64"	162.5 CM

DIMENSIONS AS SHOWN IN IMAGE

U.L. LISTED/ CE LISTED/ DAMP LISTED

The crystal in all of the Alison Berger Glassworks collection is hand blown. The process itself uses no molds or form constraints to shape the piece. Each fixture is a unique piece of functional art. The material qualities of this process will sometimes result in small air bubbles and actual tool marks, which are desirable evidence of the artisanal process.

All Lighting is hardwired and intended to be controlled by a wall switch

ALL PRICING REQUIRES A FORMAL QUOTE
