

EARLE CHANDELIER

The Earle Chandelier began as a napkin sketch with my friend, designer Stephen Earle. Our goal was to highlight a central form, illuminated from below, to create the illusion of weightlessness within an expanse of space. The sphere is simultaneously a planet, pebble, a molecule, and an atom. When illuminated, it acts as both a focal point and a diffuser.

Earle Chandelier

MATERIALS

Hand sculpted plaster
Brushed plaster finish

LAMPING

Edison upright socket, 1 bulb
60 Watt Max

CERTIFICATIONS

UL / CE

DIMENSIONS

Height: 33in / 83.82cm
Diameter: 50in / 127cm

WEIGHT

Approx. 40lbs / 18.14kg

CANOPY

Ø6 in / 15.24cm

LEAD TIME

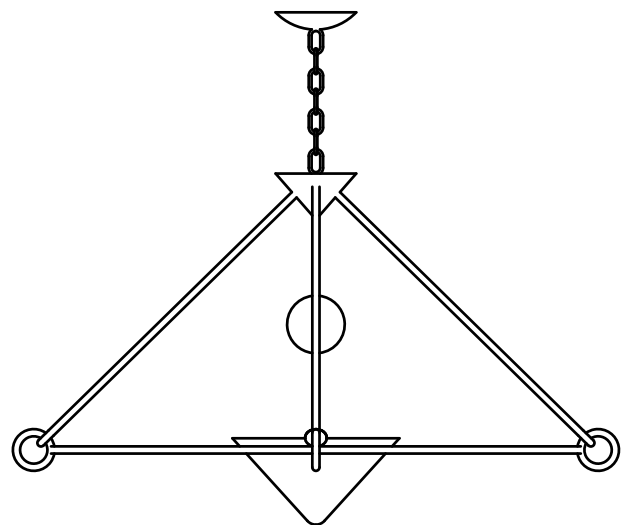

18-20 weeks

Custom dimensions available

FEATURES

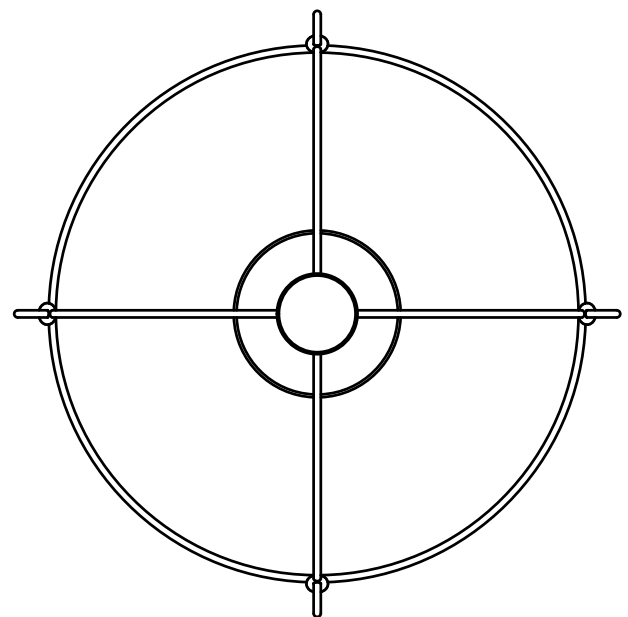

Fully Dimmable
Shipped assembled
